Preserve & Protect Your Patients and Practice

A multidisciplinary approach
to retention of the natural dentition

An impressive line-up of world renowned speakers in the fields of prosthodontic, endodontic and dental public health health.

Richard Ibbetson, Alyn Morgan & Coleman McGrath will inspire you with their clinical expertise to predictably maintain and retain your patient's natural teeth.

FGDP Biennial Conference

Friday 7th November 2014
W5, Odyssey Arena, Belfast

Professor Richard Ibbetson

Professor Richard Ibbetson is a clinical expert in restorative dentistry with a particular interest in fixed prosthodontics and conservative dentistry.

He is currently Dean of the Faculty of Dental Surgery of the Royal College of Surgeons of Edinburgh and has recently been appointed as director of the graduate entry dentistry programme at the University of Central Lancashire.

Alyn Morgan BChD MSc

**Predictable Root Canal Treatment
- helping to preserve the natural dentition.**

Alyn Morgan BChD MSc, Specialist in Endodontics, Senior Clinical Teaching Fellow and Co-ordinator of Endodontic CPD, UCL Eastman Dental Institute..

Professor Coleman McGrath

**Patient Reported Outcome Measures (PROMs)
for Successful Dental Practice.**

Colman McGrath is a Clinical Professor at the University of Hong Kong (HKU) and works in the discipline of Periodontology & Public Health, at the Faculty of Dentistry, HKU. Colman is a renowned international scholar and practitioner of population oral health and health services research.
